Have you noticed someone who is:

- ☐ Doing "maintenance" late at night, early in the morning, or during severe weather when legitimate crews are rarely out
- ☐ Working without visible uniforms, company badges, or marked utility vehicles
- ☐ Climbing over perimeter fences, cutting locks, or lifting utility access covers rather than using gates or keys
- ☐ Parking vehicles in a way that blocks the view of their activities, working in the dark without proper floodlights, or acting as a lookout

Copper Theft. It's more than metal.
